

A Note to Our Participants & Teams...

Thank you for your participation in WEEF's 2nd Annual Race for Education Teacher Relay event! Funds raised from this event are filtered back into Westerly Public Schools and are used to make YOUR visions of innovative education a reality.

WEEF is always looking for ways to increase it's endowment to maximize the impact in Westerly Public Schools. Please consider asking your fellow co-workers, friends and family to pledge their support for you as you race to raise funds for WEEF. *Pledges are optional and are not required to participate in the Race for Education relay.* Pledges can help offset your entry fee (\$10 per person/ \$40 per team) and in addition to raising more funds for WEEF, it brings awareness about our organization and the impact we have on the children of Westerly Public Schools.

Please bring the pledge form to Attack the Track, or put in an envelope labeled "WEEF" through the school interoffice mail. The funds you help raise could very well be going toward your future grant proposals! You make the WEEF mission possible and we thank you for your support.

Sincerely,

The WEEF Board of Directors

RACE FOR EDUCATION

**1 Mile Relay Race Challenge
for WPS Teachers & Staff**

Pledge Form

Help support the Westerly Education Endowment Fund (WEEF) as teams race to raise funds for more innovative programming within Westerly Public Schools! Pledge your support for your teacher and/or team today!
